The cover quote is adapted from Psalm 23, said to have been marked among her favourites by Saint Elizabeth Ann Seton.

This adaption is used with permission, from the book *All Creation Sings: Praying the Psalms with St. Elizabeth Seton*, selected and edited by Regina Bechtle, SC and Margaret Egan, SC, both Sisters of Charity of New York.

In the logo of the Sisters of Charity-Halifax, the cross represents the Sisters' commitment to the work of Christ and the church. Its position inside the moving globe represents our place in today's world: taking a values-driven, contemplative stance to reach out as part of a global community.
